**Daily Skills** includes topics that are taught daily in an Elementary classroom to enhance learning. Skills include: calendar awareness and activities, journal writing, independent reading, handwriting, spelling, standardized testing practice and keyboarding.

**Enrichment** is designed to encourage students' interest and proficiency in Music and Art. Students are guided through fun, age-appropriate units where they create their own instruments, view famous works of art, learn about musical theory and history, and make their own works of art with hands-on projects.

**Physical Education** requires students to complete 135 minutes of structured physical fitness following Texas standards and to submit a weekly activity log.

## Course Selections – Middle School

### 6<sup>th</sup> Grade

Language Arts  
Math
